SmartMusic QuickStart Guide

It takes three steps to get started with SmartMusic:

        Step 1: Download and install the application
        Step 2: Activate the evaluation subscription
        Step 3: Log in to see example assessments

Step 1: Download and install SmartMusic

1. Download SmartMusic from: www.smartmusic.com . When prompted to create your own account or log in use this email: evaluation@smartmusic.com and this password: password
2. Follow the installation instructions.

Step 2: Activate the evaluation subscription

1. After completing the installation, the SmartMusic application will launch and you will arrive at the **Welcome** screen. You must be online to activate a SmartMusic subscription. Click the **Activate** button.
2. Use this email: evaluation@smartmusic.com and this password: password to activate.

Step 3: Log in to see the example assessments

1. Open SmartMusic and log in on the Home screen with this email: demo@smartmusic.com and password: demo And then on the next page, security key: Demo1234
2. You will see classes on the top left. Click one and then choose the Gradebook button at the top of the class page. Each assignment on the gradebook page will display the recording, screen shot, score and other assessment data for that student when the score or icon is clicked.
3. Click the My Home link at the top of the page to go back to the class page. Find the assignment library button at the bottom right of the page. Note personal, district and state libraries.
