

**DEVELOPING FRENCH (A)****UNIT 1 Assessment: Interpersonal Speaking**

## Learning Targets

- ✓ I can have a simple conversation about entertainment.
- ✓ I can ask and answer questions about an entertainment event.
- ✓ I can say what I like and don't like about an event.

## Proficiency Goal

## Scenario 1

Your teacher has set up a Skype session with another school in Dijon, France during which you will be paired with a French teenager who will be discussing entertainment with you. You have prepared in advance and are planning to:

- Talk about favorites you have in entertainment, movies, TV programs, sports, games, or music, including:
  - Specific people involved;
  - Specific events, programs, movies, games, or artists;
  - Where you do this activity;
- Ask your partner questions about his or her preferences and what he or she thinks about your favorites entertainment choices.

If there is anything else you would like to find out from your French-speaking partner in order to show off your French speaking skills, feel free to do so.
